BELISLASER

COMPANY PROFILE

>>> About Us

Zhengzhou Belis Electronic Technology Co., Ltd is a globally recognized manufacturer of innovative and advanced medical aesthetic equipment, with a strong presence in Europe, South America, and Latin America. We offer a comprehensive range of cutting-edge devices, including IPL, E-light, Radiofrequency, Cavitation, Nd-YAG lasers, Diode lasers, Fractional CO2 lasers, Lipolaser systems, and skin analyzers. Our mature sales network spans Mexico, Chile, and Spain, supported by a dedicated Customs Agent in Mexico and Cofepris certification for compliance. We collaborate with local engineers to provide exceptional after-sales technical support, ensuring our clients receive reliable and efficient service.
